Admissions office
Transfer Applicant
500 John W. Harris
Bayamon, PR 00957**

Consideration of your application will be delayed until all documents are received by the Admissions Office. It is your obligation to ensure that the Admissions Office receives all the required documents on time. Processes for consideration of transfer can be found in the School's Catalog available through the School's website.

Certificación

Afirmo que toda la información suministrada en la presente solicitud es correcta, verídica y completa; que el solicitante entiende que asume la obligación de respetar las normas y reglamentos existentes en la Universidad Interamericana así como los que de tiempo en tiempo fueren aprobados por las autoridades universitarias correspondientes, así como que la violación de dichas normas es susceptible de acción disciplinaria, incluso la suspensión permanente del estudiante cuando la gravedad de la violación lo amerite.

Hago constar que aceptamos que la obligación de la Universidad es ofrecer aquellos cursos o asignaturas específicas para las cuales se matricule el estudiante en cada semestre o sesión de verano, pudiendo la Universidad discontinuar cualquier programa académico cuando así lo entienda necesario o conveniente.

Los que suscriben, solicitante y/o padre, madre o encargado del mismo nos hacemos responsables de los actos y conducta del solicitante y mancomunada y solidariamente de los compromisos económicos que él contraiga durante su estadia en la Universidad Interamericana de Puerto Rico.

Cualquier declaración falsa, engañosa o incompleta contenida en la solicitud de admisión anulará la aprobación de la solicitud y liberará a la Universidad Interamericana de toda obligación que hubiera contraído a base de la información sometida en la solicitud.

La aprobación de esta solicitud de admisión por la Universidad Interamericana y el pago por usted de los derechos de matrícula le obliga a usted por solamente el semestre para el cual usted hubiera hecho el pago. Asimismo, la aprobación de esta solicitud y la aceptación del cargo de matrícula, obliga a la Universidad Interamericana por ese mismo término, sujeto a los reglamentos aplicables. No obstante, no será necesario que usted haga nueva solicitud de admisión a la terminación de cada semestre o sesión académica, sino que la mera aceptación por la Universidad Interamericana del pago de la matrícula y de cualquiera otros derechos que se fijasen operará para extender la obligación recíproca creada en la forma antedicha de semestre en semestre.

Todo documento sometido para establecer elegibilidad a admisión se convierte en propiedad permanente de la Universidad Interamericana de Puerto Rico y no se devuelve.

Firma de Solicitante – Applicant's Signature

Certificate

I affirm that all information contained herein is correct, true and complete; that the applicant understands that he assumes the obligation of abiding by the rules and regulations existent at Inter American University, as well as those that from time to time may be approved by the University authorities, and that the violation of said rules, is subject to disciplinary action including permanent suspension of the student when the seriousness of the violation may so justify.

I hereby acknowledge that the obligation of the University, is to offer the specific courses or subjects in which the student officially registers each semester or summer session, and the University may discontinue any academic program whenever it considers necessary or convenient to do so.

The undersigned applicant and/or father, mother or guardian of same, assume responsibility for the acts and behavior of the applicant and jointly and severally, of the economic obligation he/she may incur during his/her enrollment at the Inter American University.

Any false, misleading or incomplete statement contained in the application for admission will annul the approval of the application and will release Inter American University from all obligations that it might have contracted based on the submitted application.

The approval by Inter American University of this application for admission and your payment of the registration fees bind only you for the semester for which you have paid, likewise the approval of this application for admission and the acceptance of your payment of the registration fees bind the University for the same period of time subject to the applicable regulations. Nevertheless, it will not be necessary to reapply for admission at the end of each semester or academic session, since the acceptance by the Inter American University of the payment of registration and of any other fees that might be established, will serve to extend the reciprocal obligation described above from semester to semester.

All documents submitted to establish eligibility for admission become permanent property of the Inter American University of Puerto Rico and are not returnable.
